Echols, Treadway —
 (continued from page 2)
 On January 3, 2008, Tiffany was released from prison. "I am trying to make a difference now. If you think it can't happen to you, you're wrong and that means you have no one to blame," Tiffany said to a speechless audience.
 Echols ended his presentation by making an offer to the students. "If you're over in the wrong place, call me and I will come pick you up and take you home, no questions asked," said Echols.
 Echols, who was Sheriff of Westmoreland County, had sponsored the assembly, which is planned for pre-

You Think Grown Men Don't Cry?

All these men work together at the same job in a small town. Each lost a child in the most dangerous place in the world....the public highway!
